UNIVERSITY of NEW HAMPSHIRE
COOPERATIVE EXTENSION

Watershed Ecology Institute

The Watershed Ecology Institute is an undergraduate and graduate-level summer program geared towards science educators and youth group and community leaders. The course is coordinated by staff from the New Hampshire Fish and Game Department with technical support from UNH Cooperative Extension and the N.H. Department of Environmental Services. Each day specialists focus on a particular aspect of watershed ecology. Hands-on, experiential learning is emphasized in both field and classroom settings. The course offers techniques for applying science in real-world situations.

Course Credit and Tuition Assistance

This course can be taken for 2 credits from University of New Hampshire Continuing Education, or as a non-credit course. Watershed Ecology is a credit/fail course. UNH credit course participants are required to complete a final exam. This exam is optional for non-credit participants. Professional credit is also available for N.H. Consultant Foresters and N.H. Association of Natural Resource Scientists.

Tuition assistance for the course may be available to teachers through Eisenhower staff development funds from local school districts.

No person shall be denied the opportunity to participate in this program because of an inability to pay.

This program receives Federal financial assistance from the US Fish and Wildlife Service. Under Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, The US Department of the Interior and its bureaus prohibit discrimination on the basis of race, color, national origin, age, disability, or sex (in educational programs). If you believe that you have been discriminated against in any program, activity, or facility, or if you desire additional information please write to: The US Fish and Wildlife Service, Office for Diversity and Civil Rights Programs – External Affairs, 4040 N. Fairfax Drive, Suite 130, Arlington, VA 22203

Ten Days of Aquatic Exploration

Classes are from 8:30 am to 3:30 pm and have both classroom and outdoor components.

1 Watershed Overview (Monday, July 21)

- Introduction to watersheds
- Non-point source pollution
- Watershed delineation

2 GIS & GPS Mapping and Inventories (Tuesday, July 22)

- Intro to GIS and GPS
- Land use assessment
- GIS in the classroom activities

3 Macro-invertebrates and Stream Ecology (Wednesday, July 23)

- Invertebrate adaptation and ID
- Stream monitoring and sampling
- Stream habitat assessment

4 Plant Communities (Thursday, July 24)

- Plant identification and adaptations
- Working with transects

5 Estuarine and Marine Ecology (Friday, July 25)

- Introduction to estuaries and saltmarshes
- Intertidal zone of rocky shores

6 Pond and Lake Ecology (Monday, July 28)

- Water quality testing
- Lake trip to try your hand at sampling
- Watershed quality assessment

7 Wetlands Evaluation (Tuesday, July 29)

- Wetland functions and classifications
- Field evaluation of wetlands
- Groundwater Resources

8 Forests and Wildlife Resources (Wednesday, July 30)

- Natural resources inventories
- Wildlife habitat and natural history
- Wildlife Action Plan species and maps

9 Aquatic Resource Management (Thursday, July 31)

- Fisheries habitat conservation in N.H.
- Day on the river — real water use issues in N.H.

10 Issues Discussion and Project Evaluation (Friday, August 1)

- Project evaluation
- Community involvement (getting students involved)
- River boat ride

On each day, remember to bring...

- Clothing and footwear suitable for outdoor fieldwork. We will go outside rain or shine.
- Lunch.
- Note paper and writing utensils.
- Clipboard, sunscreen, insect protection, hat and sunglasses.

Further details and directions will be sent with registration confirmation.

Registration Form

Please complete this form and send it with payment to:

Watershed Ecology
UNH Cooperative Extension
218 Nesmith Hall, 131 Main St.
Durham, NH 03824-3597
Fax: 603-862-0107

Please make checks payable to:
UNH Cooperative Extension
(No credit cards please)
