

AREAS CLOSED TO HUNTING

The following areas of New Hampshire are closed to hunting. In all cases these areas are closed to waterfowl hunting and may also be closed to other types of hunting. For additional information contact the N.H. Fish and Game Department's Law Enforcement Division at 603-271-3127.

RSA 209:6-a Back Channel. – The area known as Back Channel, a body of tidal waters between the 2 New Castle bridges, so-called, and Goat Island and Shapliegh Island to the north; and the Wentworth hotel bridges, so-called, to the south; said body of water being bordered by the town of New Castle to the east; and Sagamore Creek to the Sagamore bridge, the city of Portsmouth and the town of Rye to the west; is closed to all duck hunting or the discharge of firearms. This section shall apply to all islands situated within the above stated boundaries.

RSA 209:8-b Back Lake; Pittsburg. – Notwithstanding any other provisions of the law to the contrary, the hunting of wild birds upon or within 50 feet inland from the shoreline of Back Lake in the town of Pittsburg is hereby prohibited.

Fis 306.01 Areas Closed to Hunting.

(a) Because of the danger to human life and property, the following areas shall be closed to the specified type of hunting as follows:
