

## WILD TIMES For Kids

Teacher Activity Guide, Volume 4 Issue 2

### Frogs, Toads and Salamanders

#### Vocabulary:

- Amphibian
- Tadpole
- Larvae
- Salamander
- Frog

#### Objectives:

1. Students will be able to state the difference between frogs and salamanders.
2. Students will be able to present three characteristics of amphibians.
3. Students will be able to identify three frogs by their calls.
4. Students will be able to associate a salamander that lives only on land, one that lives only in water and one that spends a portion of its life in water and on land.
5. Students will be able to draw a frog life cycle.

#### Associated Project WILD Aquatic Activities:

Activity	Grade level
Are You Me?	2-4
Designing A Habitat	4-7
Puddle Wonders	4-7
